### **Spratt Announces Grant for CareSouth Carolina**

WASHINGTON – U.S. Rep. John Spratt (D-SC) announced today that CareSouth Carolina, Inc., of Hartsville, has been awarded a \$975,000 grant from the U.S. Department of Health and Human Services.

Spratt said the grant would help nearly 5,000 people, including many without health insurance, obtain primary health care services.

Health centers like CareSouth deliver preventive and primary care to patients nationwide, regardless of their ability to pay. Almost 40 percent of the patients treated at health centers have no insurance coverage and others have inadequate coverage. Charges for services are set according to income.
